

“

My treatment was amazing. Had a great experience with them and I've already set up another appointment for more services. The application process with Cherry was very easy and smooth.

Erika M.

How to Apply

Ask your provider for their unique Cherry payment plan application link.

There are three ways to apply:

- via text message
- on your provider's website
- by scanning a QR code in-office

 Cherry

Treat Yourself Now. Pay Later.

[withcherry.com](https://www.withcherry.com)

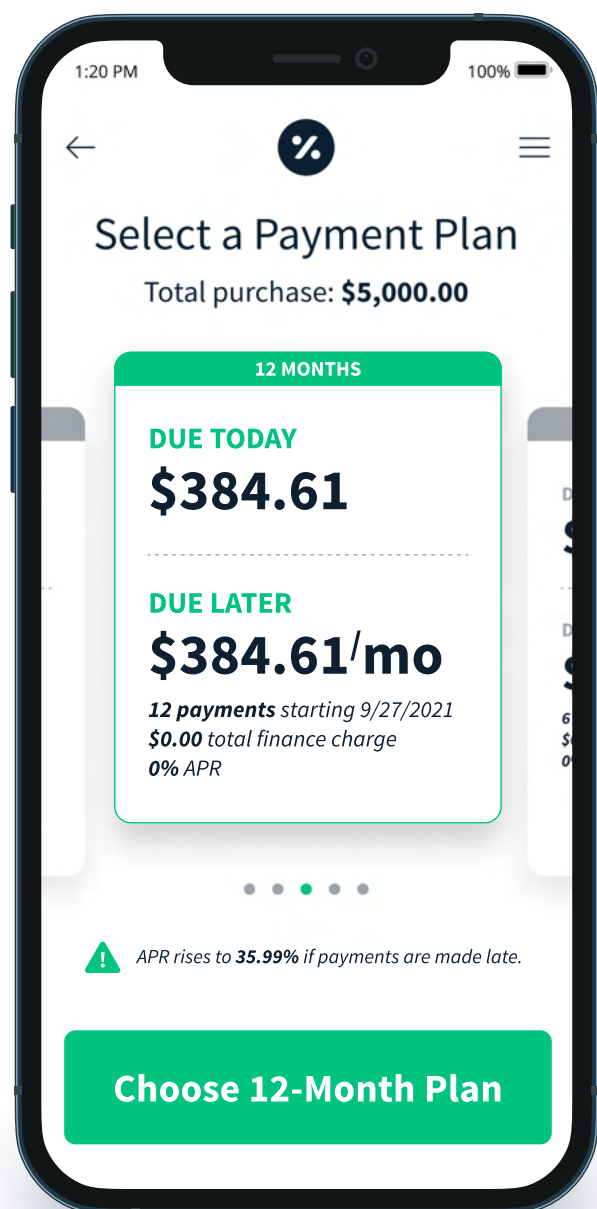

What is Cherry?

Split big costs into smaller monthly payments with Cherry payment plans!

Choose from 3, 6, 12, 18, or 24 month payment plans, with 0% APR for qualifying patients.

No hidden costs or fees, and applying does **not** impact your credit score.

How it Works

Apply

Qualify online or in person with your state-issued ID.

Our application takes seconds and applying doesn't impact your credit score.

Treat

Receive a treatment plan that works for you. Your balance can be used all at once or spread out over multiple visits.

The amount you're approved for can only be used at this location.

Pay

Choose whether you want to pay over 3, 6, 12, 18, or 24 months.

Make your first payment and gain the confidence you deserve!
